

## Important safety instructions

- Read the instruction manual carefully and completely before using the product.
- Always include the instruction manual when passing the product on to third parties.
- Do not use product if defective.

## Preventing damage to health and accidents

- Protect your hearing from high volume levels. Permanent hearing damage may occur when headphones are used at high volume levels for long periods of time. KURZWEIL headphones sound exceptionally good at low and medium volume levels.
- Always maintain a distance of at least 10 cm/4" between the ear cups and a cardiac pacemaker or implanted defibrillator since the product generates permanent magnetic fields.
- Keep the product, accessories and packaging parts out of reach of children and pets to prevent accidents and choking hazards.
- Do not use the product in an environment that requires your full attention (e.g. in traffic).

## Preventing damage to the product and malfunctions

- Always keep the product dry and do not expose it to extreme temperatures (hairdryer, heater, extended exposure to sunlight, etc.) to avoid corrosion or deformation.
- Use only attachments/accessories/spare parts supplied or recommended by KURZWEIL.
- Clean the product only with a soft, dry cloth.

## Intended use/Liability

These headphones have been designed for home and studio use with high-quality audio systems. It is considered improper use when the product is used for any application not named in the corresponding product documentation. KURZWEIL does not accept liability for damage arising from improper use or misuse of this product and its attachments/accessories.

## Package includes

- 1 HDM1
- 1 1/4" (6.3 mm) stereo plug
